

****Reservation Rebooking Terms:****

- Rebooking requests must be submitted no later than 4 weeks before the original check-in date.
- New dates are subject to current availability in the booking calendar; the sooner you make a request, the more availabilities we will be able to give you.
- Rebooking is allowed only once per reservation and includes dates available within 12 months from the initial deposit payment.
- Changing the reservation excludes eligibility for the 10% weekly discount but includes last-minute offers (with flexible payment dates). The offer of a specialties welcome basket for 7-day stays remains unchanged.
- The guest will receive an updated quote reflecting the new dates, fees, deposit amount, and current balance.

****1. Rebooking to a more expensive or longer period:****

- The original daily rate applies preferentially for the initially selected number of nights. For example, if an Easter booking for 4 days is rebooked to August, then 4 nights in August (peak season) will be priced as they were for Easter. Any additional days beyond the original booking will be charged at the standard rate for the selected season.

- ****Important – Deposit Adjustment:**** Upon confirming the reservation change, **rebooking occurs immediately** (new dates are blocked). If the new stay exceeds the cost of the previous booking, the guest has 14 calendar days to integrate the lacking sum to the new deposit balance. If the additional amount is not received and contact is not made within this period, the dates are definitely released, and the missing amount of the higher deposit is deducted from the security deposit.

****2. Rebooking to a less expensive or shorter period:****

- Any excess deposit will be applied toward the final balance. The new dates are immediately blocked in the calendar. If the week without discount is less than the original discounted week, the **original reservation cost is guaranteed**. For example, an August reservation for 7 days with a discount amounts to €913.50. Rebooking 7 nights to July (without a 10% discount) would be €945.00. The rebooking will reflect the original 7-night stay cost.

****What is not considered a rebooking:****

- If you plan to use your reservation but wish to extend it by a few days (at the start or end of the stay), we're open to this based on date availability – we'll gladly apply a discount or last-minute offer.

****Note:**** A rebooked stay can be canceled, but a 25% deduction of the updated deposit applies (potential refund of overpayment applies as well).
